FUTURE LINKS PROGRAM – Saturdays

The Meadows at East St. Paul is proud to support Golf Canada and PGA of Canada Future Links program.

Future Links gives children ages 6–18 the chance to enjoy and learn the game of golf via affordable and accessible programs that align and support the principles of golf's long-term player development guide, which has been endorsed by *Sport Canada*. More than 748,000 junior golfers have successfully participated in Future Links programming since its inception in 1996.

Through use of the Future Links program we are able to help your junior golfer develop at a pace of their own and the interactive website makes it possible for them to track their own learning!

For more information on Future Links please visit their website at www.cnfuturelinks.com.

Juniors will learn golf in a fun and positive environment where all aspects of the game are covered including grip and stance, iron and driver play, short game and golf etiquette!

JUNIOR DEVELOPMENT LEAGUE – 10 weeks

Schedule begins on Sundays in June & changes to Mondays in July (holiday Mondays excluded)

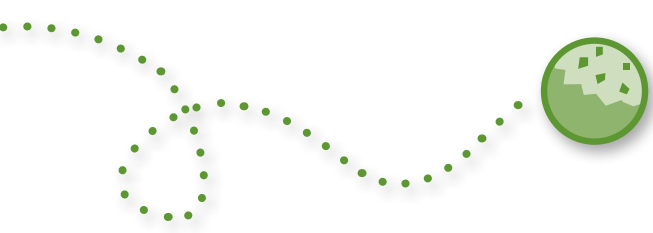

This program is designed for children to improve their golf swing and have a better understanding on how to play golf on a golf course. This is the only junior development league in Manitoba. This program will help take the children to the next level in their golfing career. Our focus is to get the juniors to understand how and why they shoot the scores they do on the golf course. Our CPGA professional staff will be there to help them to play better golf and learn to play in competition.

It is highly recommended that the children have had golf lessons in the past.

The final day, August 20th, will include a fun tournament that includes the junior and a guest playing together in a best ball format, and of course hot dogs and drinks to follow that.

Sundays – June 10, 17, 24 | Mondays – July 2 – August 20
1:00 p.m. lesson, 2:00 p.m. tee time

\$400/person including taxes
